

3-Point Sprayer

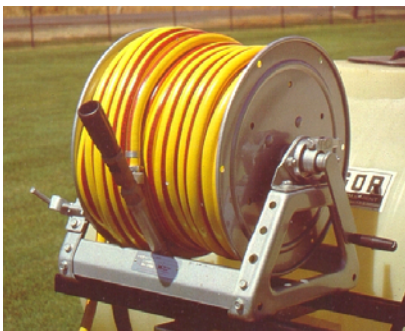

The **McGregor 3-Point Hitch Sprayer** is a truly universal general-purpose sprayer designed to attach and work with any tractor with a category I or II three-point hitch and a PTO.

The **McGregor 3-Point Hitch Sprayer** can be used to spray fence rows, around buildings, grain bins, spot spraying, along with small acreage, trees, lawns, ditches, pastures, roadways, and row crops.

With added turf options, the **McGregor 3-Point Hitch Sprayer** can be set up to spray golf courses, parks, school grounds, airports, and cemeteries.

The **McGregor 3-Point Hitch Sprayer** can be used to apply insecticides, herbicides, fungicides, and liquid plant food.

The **McGregor 3-Point Hitch Sprayer** makes difficult jobs easy.
